THE BIG CHANGE, Facebook has the new policy to “Delete” any videos after 60 days. Though the applications we use have been updated, the basics of YouTube retention have not changed. Working with our web designer, we are publishing only to YouTube. In addition, we are still publishing an event on Facebook, but with a link to the YouTube video. (Our local website, <https://www.stlukelutheran.org>, for the most part, has taken this into account.) Videos will now be displayed via YouTube applications. If you have any questions or concerns, please see Bill Hoffman after the Worship Service or over in the Chapel during Coffee Hour
